- + particularly light
- + brilliant optics
- + pleasantly quiet
- + pleasant to touch
- + very durable
- + dishwasher safe
- + space-saving stackable
- + design is customisable

VERSATILE USE

ORNAMIN reusable tableware combines high quality, durable materials and a modern, porcelain-like appearance. Lightweight, robust and versatile, it accompanies people through their everyday lives – at home, when camping or in professional catering settings. ORNAMIN 4LIFE tableware is in daily use in schools, nurseries, student unions, hospitals and staff canteens. It supports efficient food service and ensures that freshly prepared meals are served reliably and attractively.
